PMS WEEKLY REPORT  
Period Ending 27 April 1983

The third session of the Office of Logistics Procurement Workshop Series was held on Wednesday, April 20th, with [redacted] logisticians in attendance. This session was on Standards of Conduct. A 38 minute film described real life instances of misconduct by those involved in the procurement process. At the conclusion of the presentation, the moderators, [redacted] [redacted] fielded questions from the group on specific CIA problems.
